# CHESTNUT HILL AVENUE RENOVATION PROJECT

*"A busy Brookline street with a neighborly feel..."*

---

## We Need You! - April 16, 2025

### Write a Letter to the Editor

We are all busy in our daily activities. Meanwhile, the Town continues to plan for the street renovation and we await details of new proposed designs for the street sometime in May.

Meanwhile, Jesse wrote a [Letter to the Editor](#) in response to the [Brookline.News article](#) about the proposed street design.

**One Letter to the Editor is not enough to tell our Town about our concerns.** We need you!

To send a Letter to the Editor about your concerns, please [click this link](#) and share your opinion. Your comments are limited to 200 words so you don't have to write a lot.

Here are some points you might mention in your letter:

- Loss of curbside parking
- Current adequacy of existing bike lanes
- Safe Routes to School by placing the bike lanes on Clinton Rd and Eliot St
- Narrowing the traffic lanes given the vehicle makeup along the street
- Importance of listening to us, the neighborhood

Take a few minutes of your time and have your voice heard.

We will let you know as more news develops. Our project webpage [is here](#).

Thanks,

**Jesse and Brenda**
